Announcement from Lambda Theta Phi Foundation

Miami, FL- Lambda Theta Phi Foundation announces it's Voter Registration / Scholarship Drive. Beginning April 1st we will be sponsoring a National Voter Registration Drive that empowers those who work to empower. All NALFO (National Association of Latin Fraternal Orders as well as Independent Latino Greek Organizations are invited to participate in this voter registration initiative . The Chapter that turns in the most voter registrations will receive a scholarship for any member of it's chose of \$1,000.00, \$500.00 to runner up and \$250.00 to the third largest collector of voter registrations.

When Agustin "Gus" Garcia, National Chair of Lambda Theta Phi Foundation was asked regarding this initiative, "This is a response to the Latin communities' concern of the treatment and the attempts to legislate against our parents, grandparents, children and neighbors. An attempt to divide those born here from those who came here in search of the American dream and provided the Latin sweat by working hard for their families. We can not be given enough pieces of silver to betray our heritage, culture and people. Let us be creative and register every voter who will cast a vote for Social Justice not discrimination and hate. The fight for Social Justice starts today by registering to vote tomorrow. We will reward those who care about those less fortunate then them.

Please forward this to all Latino Greeks on your e-mail list.

You must register to participate by April 30, 2006 by contacting us at Garcorp17@aol.com and giving your coordinator's name, address, e-mail address, phone number, name of Fraternal Organization and chapter. You must also meet the initial requirement of 100 new voter registrations by the end of the month to qualify. Please feel free to call me at 305-859-7741 for more information.

In Greek unity and for Social Justice,
